Charges will vary from student to student. The Academy cannot assure parents as to the exact amount of the miscellaneous charges. Should a student exceed these estimates, an additional deposit during the school year may be required. The Academy cannot guarantee that this list is completely inclusive.

Financial Obligation

The cost of operating the Academy must be budgeted on an annual basis. For this reason cadets are accepted for the entire school year, and upon entrance a valid and binding contract is in force for the entire school year. In the event of dismissal or withdrawal, the balance of the tuition and other charges, less credits, becomes immediately due and payable. Credit of only \$600.00 per month will be given for that portion of the school year the student is not in attendance.
