

I certify that my son/charge is amenable to discipline, is free from known immoral habits and that I have reviewed all pages, both front and back, of this contract, and agree to abide by the provisions of the contract and all materials incorporated into it.

It is fully understood that upon my son's entry into Camden Military Academy this application becomes an agreement between Camden Military Academy and the undersigned. It is also fully understood that application does not insure an offer of admission. I agree that my son is subject to the rules, regulations and policies of Camden Military Academy and it shall be within the discretion of the Headmaster or his representative to punish or dismiss my son/charge for any breach of any such rules, regulations and/or policies. The school also reserves the right to refuse admittance, suspend, or expel any student who does not cooperate with policies established in the parent handbook or cadet regulations book. If any student or parent refuses to follow those standards, they place their privilege of attending Camden Military Academy in jeopardy.

I also agree to cooperate with Camden Military Academy authorities in the maintenance of good discipline and do hereby consent to the administration of drug screening test to my son/charge if deemed necessary by Camden Military Academy authorities. Refusal of a drug screening test by a student shall be considered grounds for dismissal. (Camden Military Academy has been advised that a drug screening test can establish that there has been drug use, but it cannot insure that there has been no drug use.)

I understand that students are accepted only upon the express condition that they shall remain at Camden Military Academy until the end of the full school year and be financially obligated to the full school year tuition and other actual incurred costs, unless suspended or dismissed for misconduct or breach of Academy discipline. In the event of dismissal or withdrawal, the balance of tuition and other charges, less credits, becomes immediately due and payable. Except for attendance time lost to temporary suspension for disciplinary actions, credit of \$600.00 per month will be given for that portion of the school year the student is not in attendance. Students will be charged for damage to or loss of school or government property through intentional thoughtless action or neglect. I further agree that Camden Military Academy has the right to withhold student transcripts, report cards, and any and all student records until all financial accounts have been paid in full. It is further understood that if all accounts have not been paid in full by twenty days prior to graduation there will be a suspension of services and the student will be required to leave school. The school further reserves the right to suspend services at any time for non-payment. It is also understood that in addition to tuition and other school charges I agree to be responsible for the cost of any tuition collections, including attorney's fees.
