To: Varsity Football Parents and Players

RE: Early Arrival for Varsity Football Players (10th-12th grade)

To prepare for our upcoming football season, our varsity players (10th-12th grade) have an opportunity to report to school on Sunday August 15, 2021, to participate in team building activities and physical conditioning to help jumpstart the 2021 season.

Students need to send a copy of their up-to-date physical and medical insurance card prior to registration. Without these documents, the player will not be allowed to participate in practices until this information is provided to the school.

CMA will provide helmets, shoulder pads, and uniforms. You will need to bring any additional gear with you. (i.e.: cleats, tennis shoes, girdle, etc....) There will be an on-line store available **July 10- 20, 2021**. See attached PDF file. All purchased products will be available at Camden Military Academy for pick up on August 15, 2021. The link for the online store is <https://www.bsnteamssports.com/shop/BUoBsgrWSr>

It is imperative that we begin practice early so we have enough time to prepare for our first game. I appreciate your cooperation and support. I am looking forward to a successful season.

Although the early report date is not mandatory, we would really appreciate having as many players on campus as possible. If a player is not able to come on August 15, they will still be eligible to participate.

Due to prior scheduling Varsity will be playing during Fall Break on October 1. However, Varsity football players will have their own Fall Break at a later date.

Sincerely,

Will Rice
Athletic Director
Head Football Coach
