

March 27, 2020

Dear Camden Military Academy Family,

We continue to follow this ever-changing COVID-19 situation daily with local and state government health officials as the safety of our cadets and staff remain our priority. The academy's primary concern is the young men on and off campus as well as the health of our faculty and staff. All employees have received social distancing guidelines that they should only leave home for medical reasons, work, or to get food. This is good advice for all Americans!

Lastly, we greatly appreciate the personal emails and calls offering support for the cadets, faculty and staff of Camden Military during these unprecedented times.

Philippians 4:6-7

⁶ Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God. ⁷ And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus.

We will get through this!

God Bless,

A handwritten signature in black ink that reads "Eric Boland". The signature is written in a cursive, slightly slanted style.

Eric Boland

COL, Headmaster

Camden Military Academy
